

# **My Family Has The Right Stuff!**

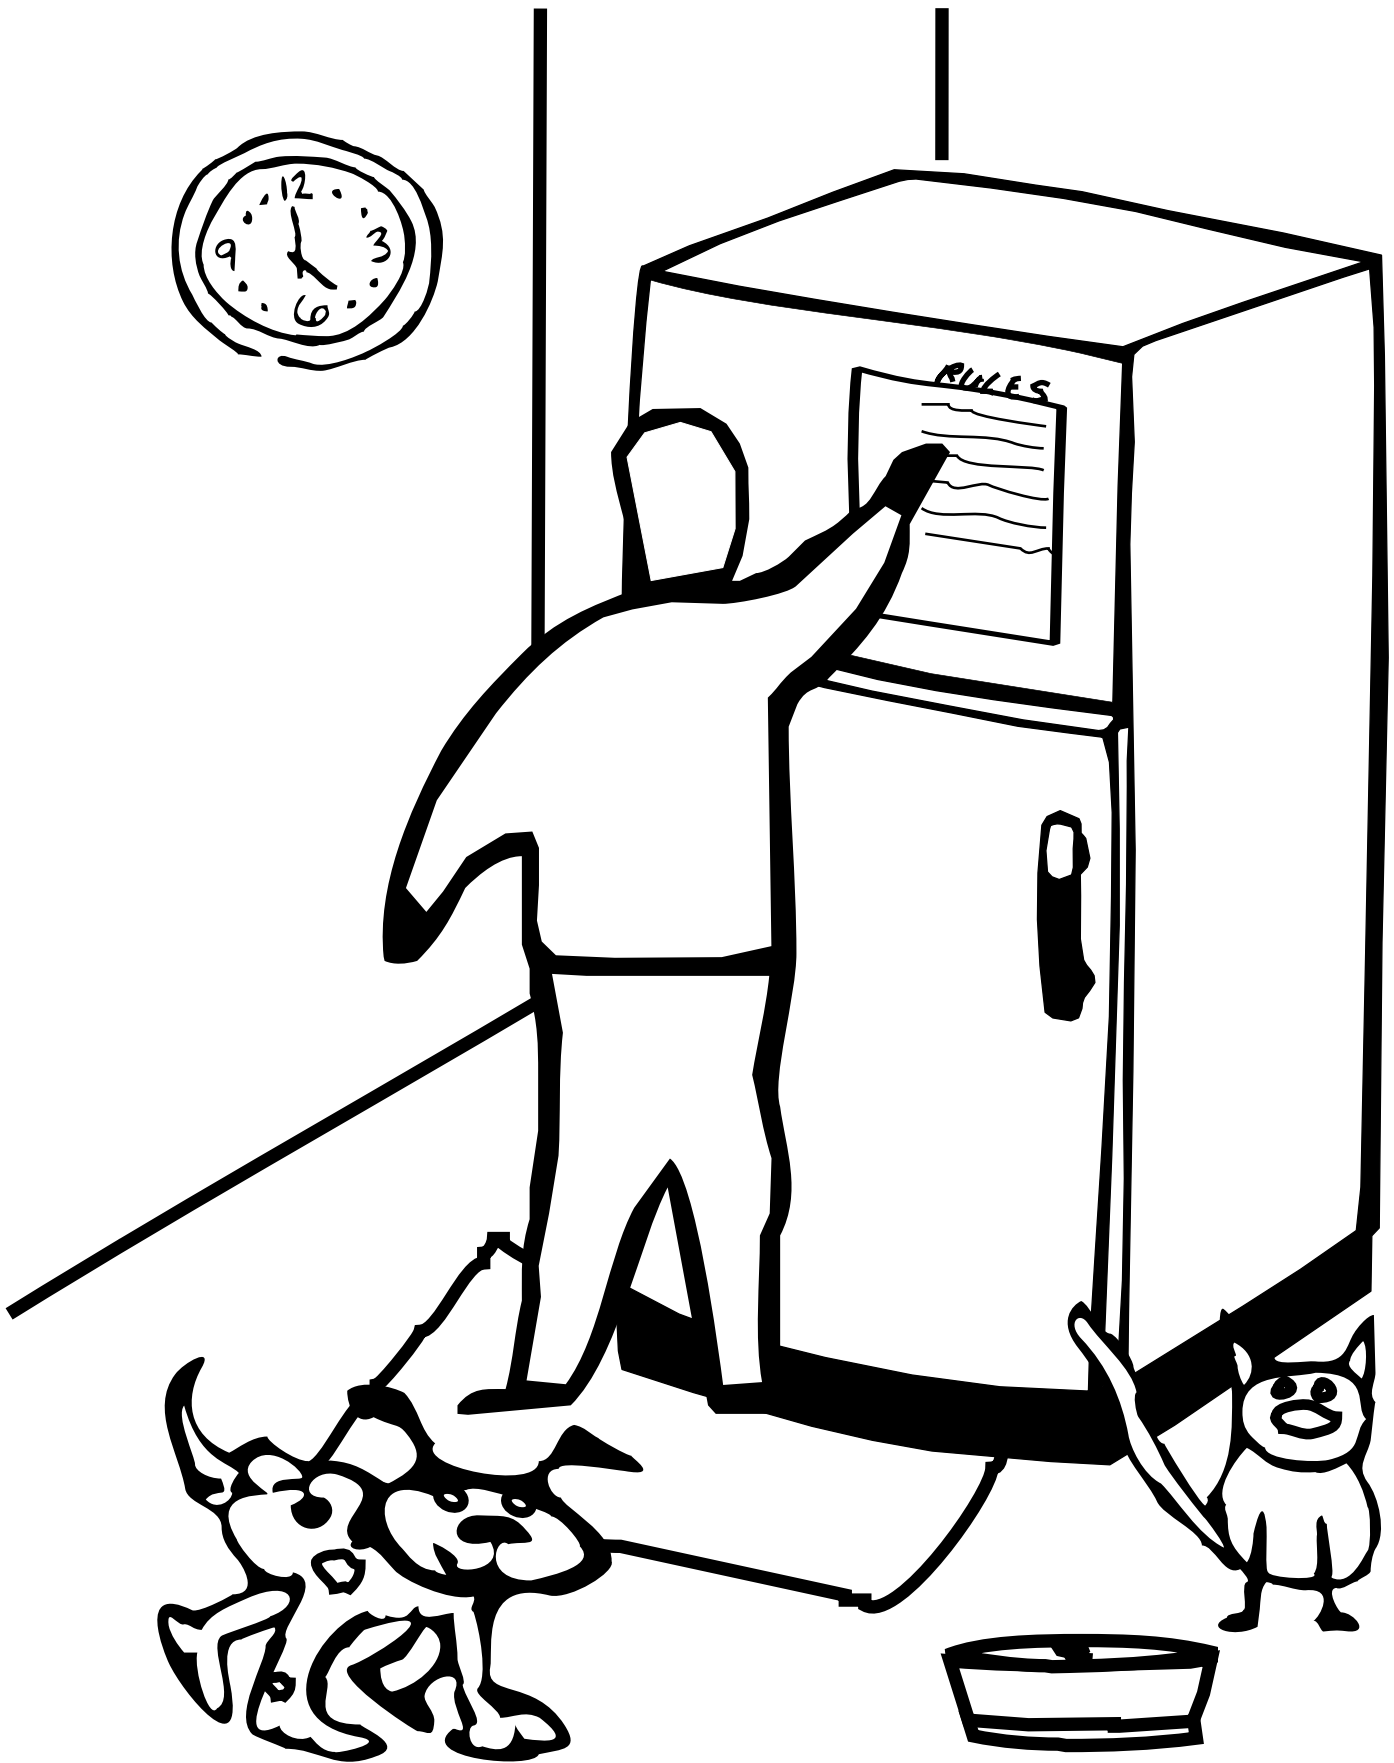

**Parents And Kids Together**

We spend time reading our favorite stories together every day.

I can't go out to play until I clean my room up?

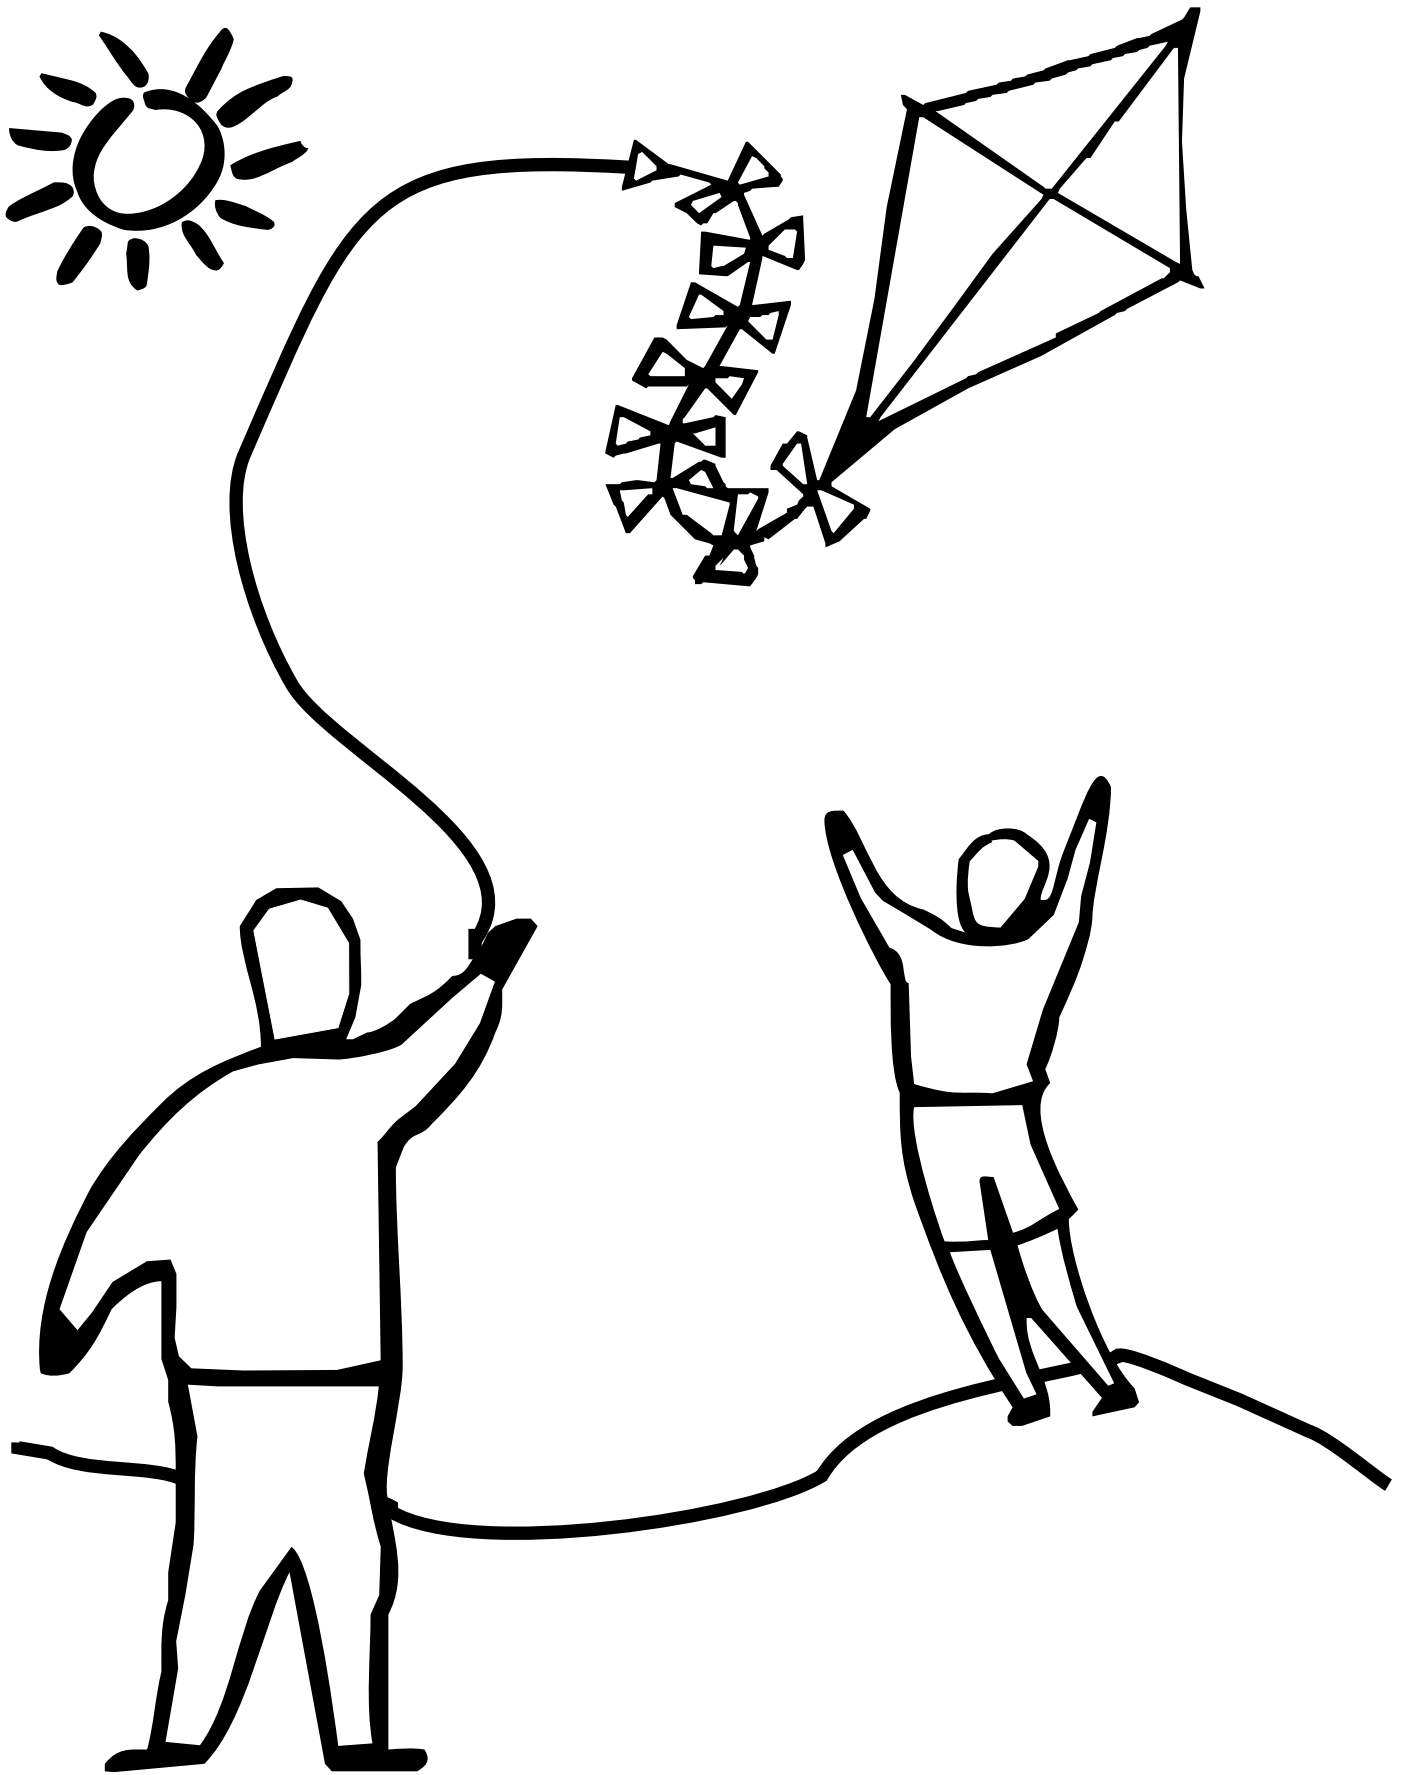

Our family's rules keep us safe!

Family, friends, and school are an important part of my life!

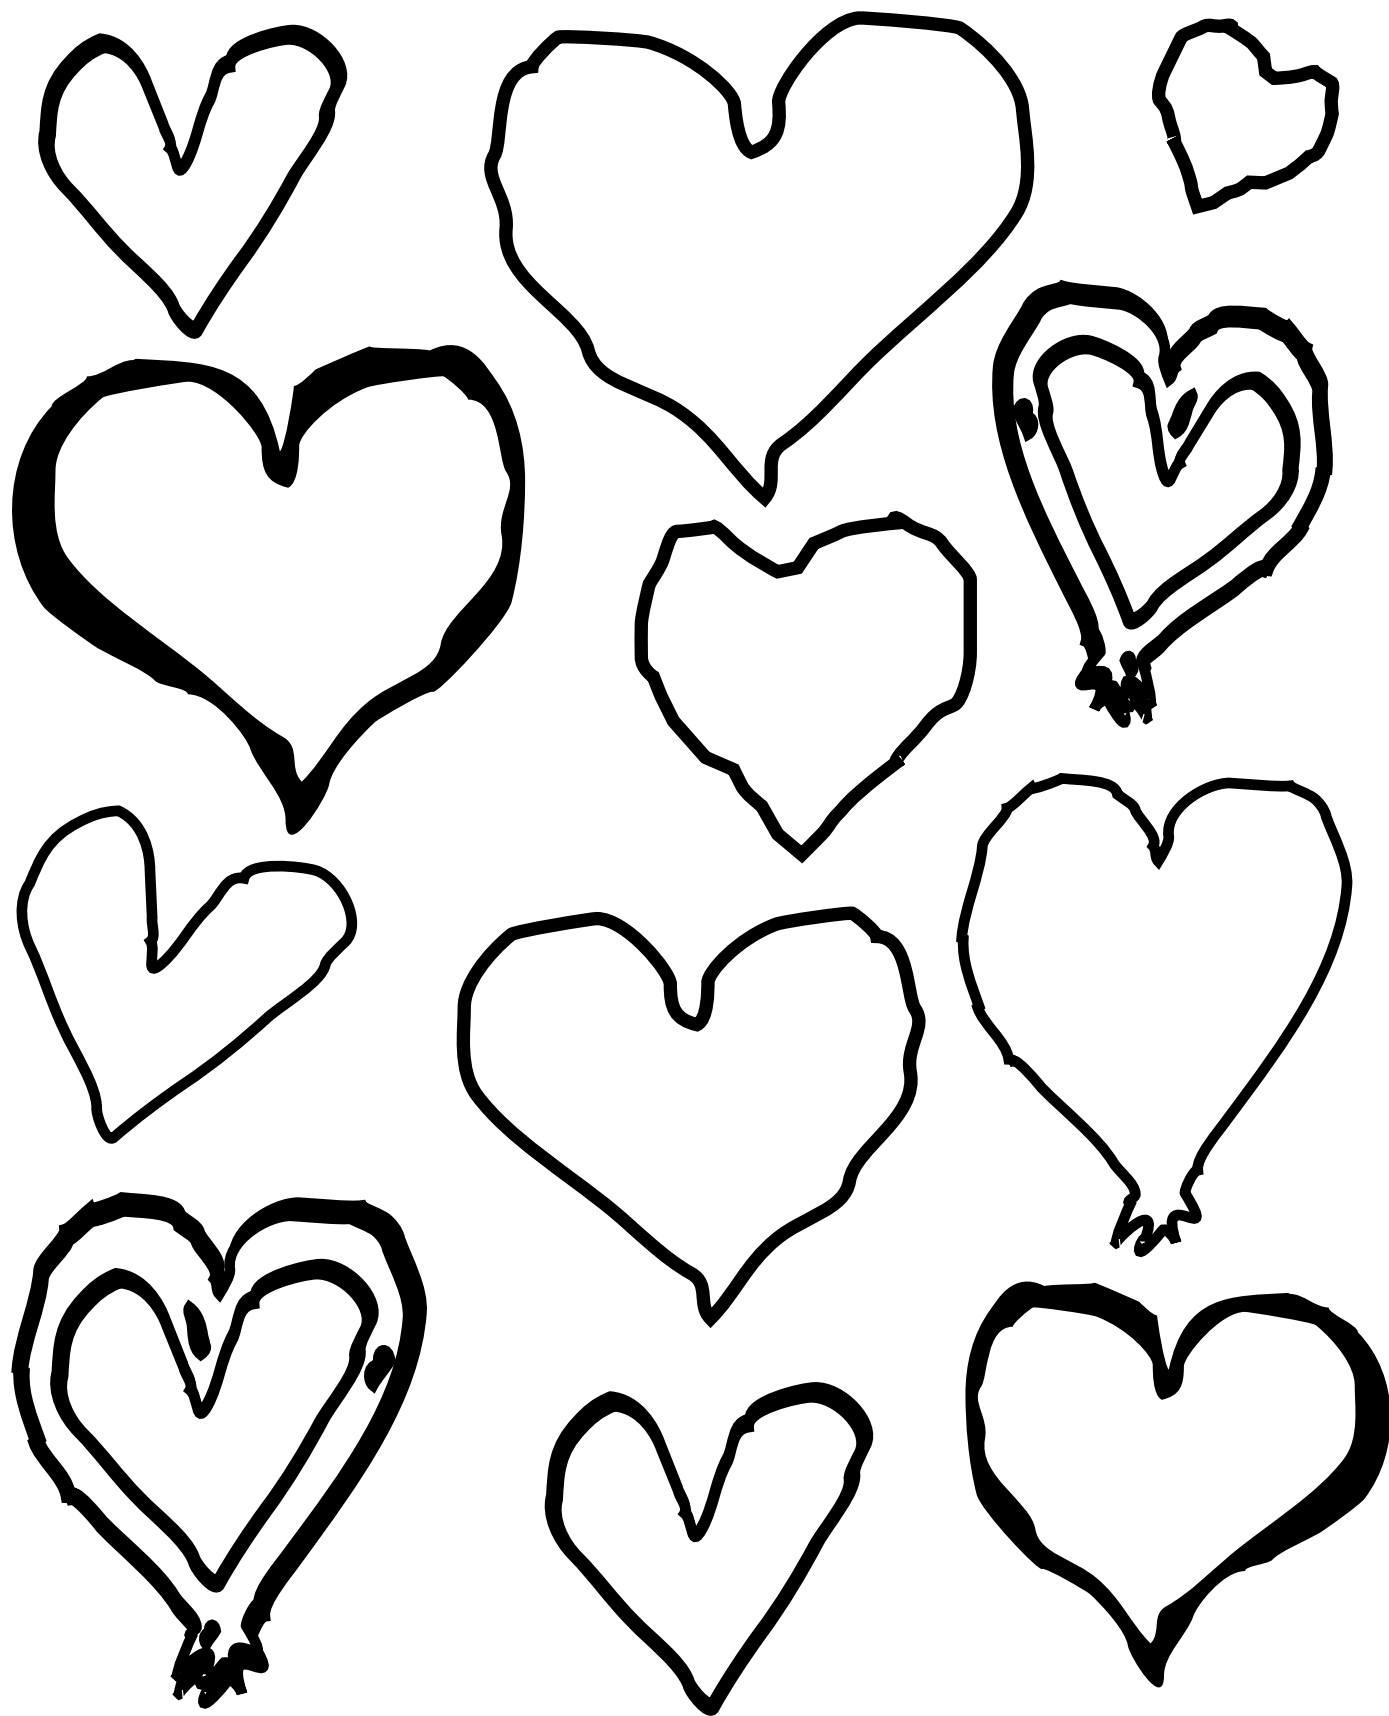

The adults in my life have fun without using alcohol or other drugs.

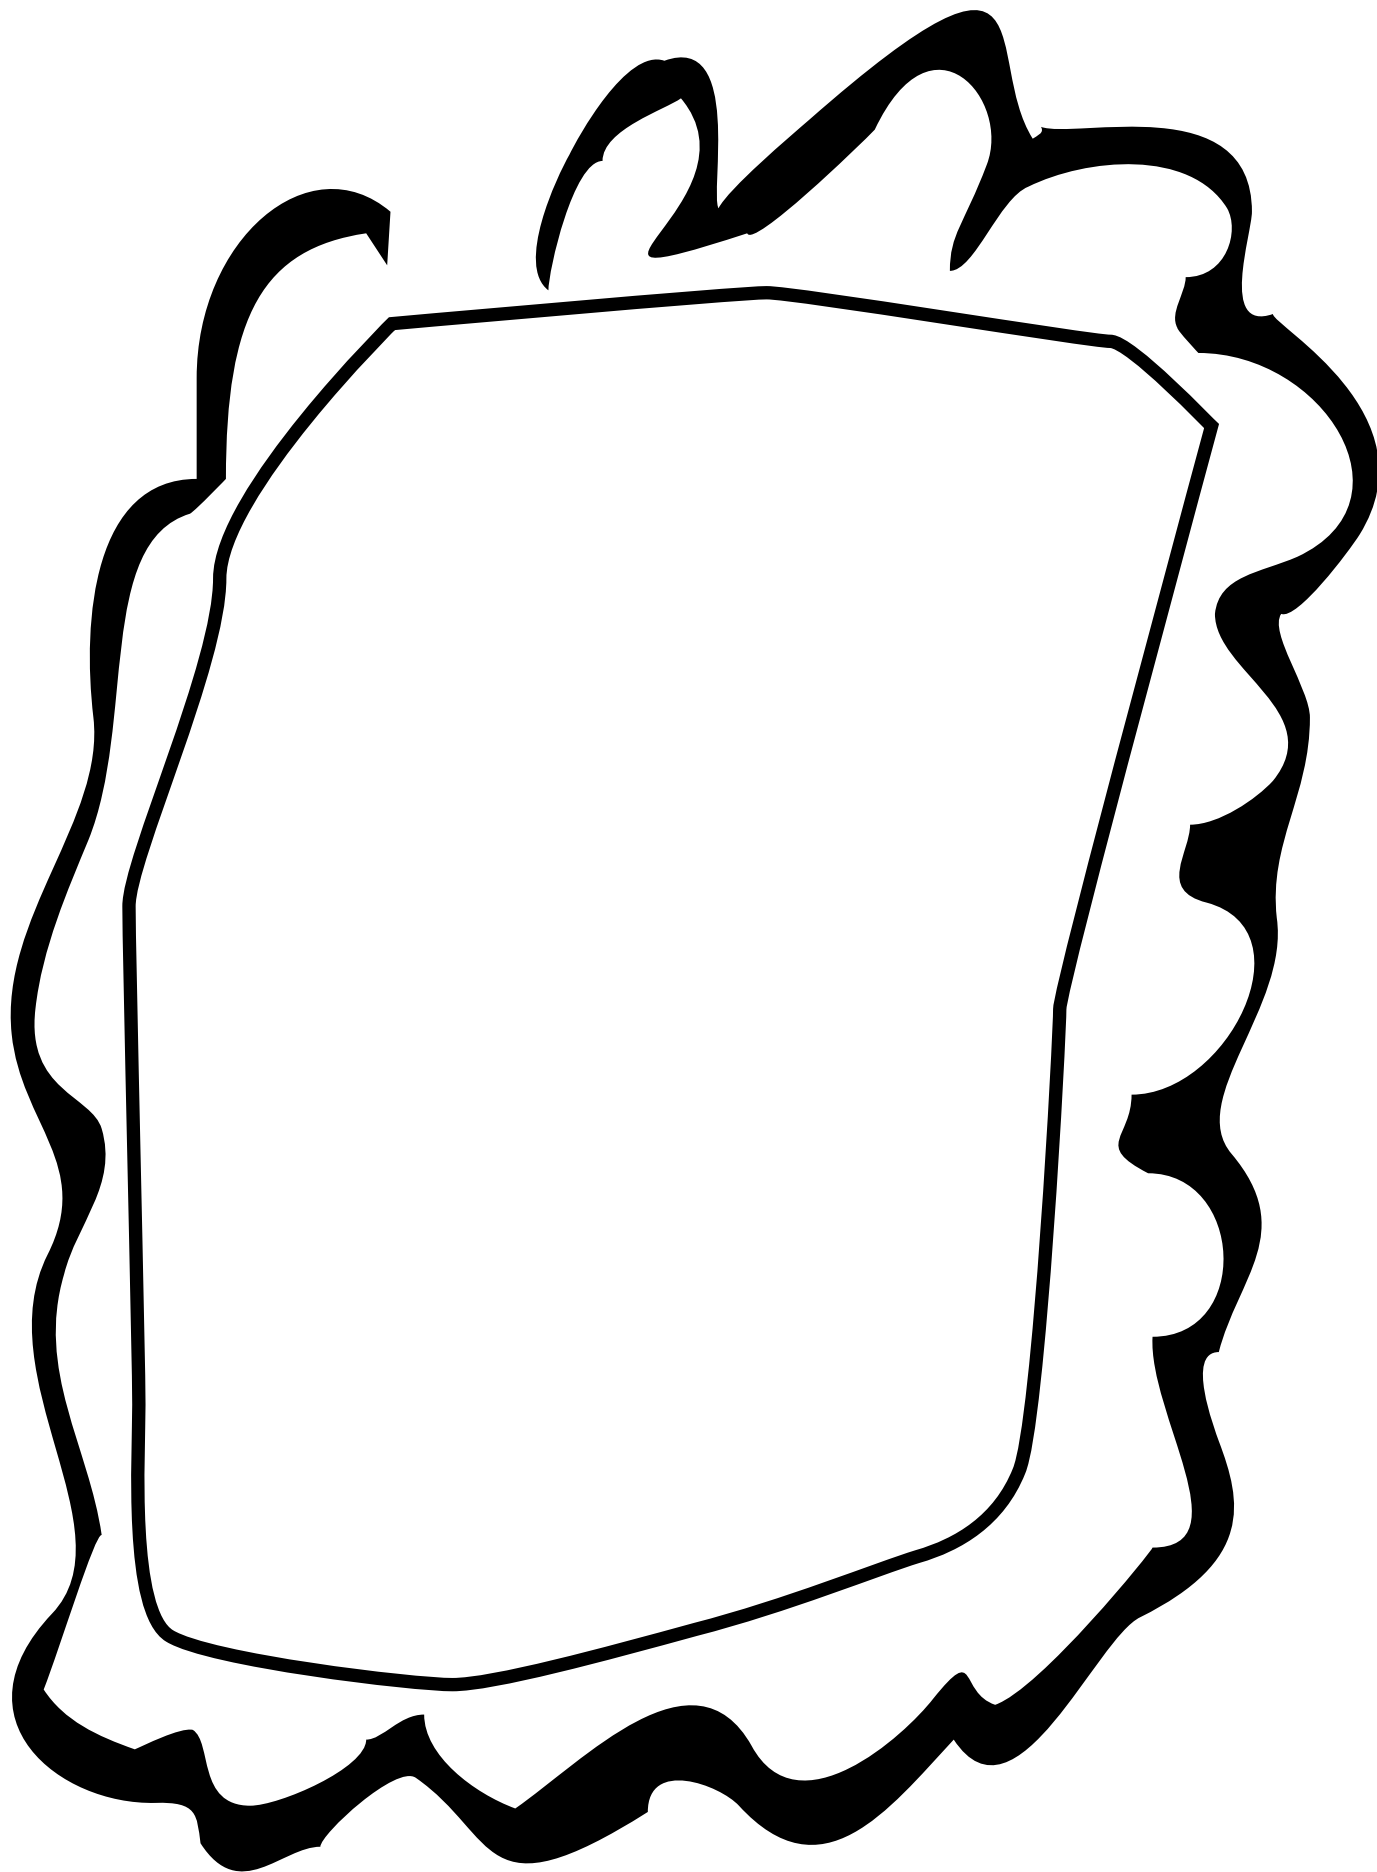

Our parents know we're flying a kite at the park.

People who love me! and People that I love!

Fill in the hearts with pictures of special people in your life.
